MCOA to Host First Annual Hall of Fame Banquet

August 17, 2022

The Mid-Coast Officials Association (MCOA) is pleased to announce their first annual Hall of Fame induction Banquet and Ceremony. The inductees were nominated by their peers and approved by the Executive Council. Those chosen have demonstrated excellence in sports officiating, service to the community, and service to the MCOA.

“These officials have all had a lasting impact on our organization. They have served as General Officers, Sports Commissioners, and mentors to our new officials. This ceremony and banquet are a small token to show our debt of gratitude to them,” stated Steve Muzzy, MOCA President.

The ceremony will be held Saturday, August 20 starting at 5:30 at the Elks Lodge in historic Cocoa Village, Florida. The ceremony will be livestreamed by the Brevard Sports Network via their social media outlets.
