MCOA Press Release

Boys Lacrosse Returns to the MCOA

July 11, 2022

The Mid-Coast Officials Association (MCOA) is pleased to announce that the Florida High School Athletic Association (FHSAA) has re-chartered the MCOA to provide Boys Lacrosse Sports Officials services in Brevard, Indian River and Volusia counties.

“We are excited to again serve our local area with Boys Lacrosse Officials. MCOA has proudly served our local area for over 40 years. We always strive for excellence in our services and we routinely have officials working State Championship games every year,” stated Steve Muzzy, MCOA President.

The MCOA invites all local Boys Lacrosse officials to register with MCOA via the FHSAA and our website. Javier Mazza (Girls Lacrosse Commissioner) has been selected as the interim MCOA leader for Boys Lacrosse and will be nominating an appointed Commissioner until the Boys Lacrosse officials elect a commissioner for the upcoming spring season. Javier Mazza has done an amazing job in providing quality officiating services for the sport of Girls Lacrosse and the goal is to replicate that success for the Boys teams we support. We look forward to working with Friends of Brevard Lacrosse (FBL) and encourage interested persons to register as a Boys Lacrosse official. The MCOA and its partners will provide the necessary training and support to get you game ready for the upcoming season. Our website, www.mcoa.org will provide all of the registration guidance and contact information if you have questions.

About the MCOA

The MCOA, through its unique multi-sports model, strives to:

- Provide high quality FHSAA certified sports officiating and administrative services at fair, reasonable, and competitive pricing levels.
- Support our member officials, schools, coaches, administrators in our united mission to serve student-athletes in interscholastic competition with excellence.

MCOA is one of the few Associations in the state which provides Sports Official services to all of the most popular high school sports including: Baseball, Basketball (Girls and Boys), Football, Girls Lacrosse, Boys Lacrosse, Soccer (Girls and Boys), Softball, Volleyball, and Wrestling.
