Hello MCOA members,

As we are now well into our spring seasons of Girls Lacrosse, Baseball, and Softball, it is a great time to remind everyone of the importance of your personal participation in the success of our organization.

One great way to get involved is to review our existing by-laws and submit any changes that you believe can make our organization better. The MCOA is well known for the quality of our constitution but over the years, we have always made changes and improvements to better serve our members.

We will be having our general membership meeting in the late June time frame. I recommend submitting any proposed changes to secretary – Norm Chiger – by May 1, 2022. Norm can be reached via email at secretary@mcoa.org.

The General Officers and sports commissioners are here to serve you and ask that you please help us as we strive to make the MCOA the best officials sports association in the state of Florida.

Thanks for all that you,

Steve Muzzy
