Message from the President – Winter 2021-2022

January 1, 2022

Fellow Members and Officials –

Happy New Year!

As we roll in 2022, I think it is important to first look back and simply say “thank you” to everyone in the MCOA for all that you did to make 2021 a resounding success. Our success is a tribute to each of you who continue to make such a tremendous positive impact in support of high school sports in our area.

It is your love of the game, and desire to always serve the sports you officiate with the utmost professionalism and integrity that makes these experiences for the student-athletes possible. It takes a special kind of person to do what you do!

On a business note, please take the time to review our by-laws. Our Webmaster & Arbiter Administrator, Charlie Westerfield, has made this document available via the web page in the members only section of www.MCOA.org.

If you believe there are changes or revisions to our by-laws that could make the MCOA better, please remember to submit those in writing 30 days prior to the General Membership meeting that usually takes place towards the end of June each year. This is your organization, and we appreciate the involvement of all!

It is hard to believe the Winter seasons in Basketball, Soccer, and Wrestling will going into the closing stretches of the regular season and the spring sports will soon be kicking off.

Yours in Sports,
